Enterprise Architecture

CONTEXT

- How an Enterprise effects Transformation is becoming a Strategic Strength or a Strategic Weakness. Whether you realise it or not!
- X Architecture is the fundamental structure of X, set in its context.
- EA and SA are not the same thing. EA is not just big SA.
- If you ask 100 people what is the purpose of EA you will get 100 different responses that only together are likely to give you the full picture.

- Roadmapping (EA) Transformation phases of your Enterprise.
- Use PEAf to Tactically improve parts of EA, in the context of the Strategic whole.
